ASHTH EUROPE

Local Market Entry Strategy

STRATEGY OVERVIEW

Three-Channel Local Market Entry

Before investing in large-scale digital campaigns, Ashth Europe establishes real market presence through three complementary channels — exclusive private events, a weekly interim showroom in key cities, and white-glove home appointments — all driven by targeted digital marketing on LinkedIn, Facebook, and Instagram.

CHANNEL 1

Private Showcase Events

Curated cocktail evenings in Luxembourg. By invitation only. 20–30 guests from the professional and financial community.

- › Intimate format — luxury is experienced, not browsed
- › Pre-qualified guest list from professional networks
- › Direct sales + appointment bookings at the event
- › Each event funds the next through direct sales

CHANNEL 2

Concierge Appointments

Clients browse the online catalogue and book a private in-person appointment. Kuntal brings a curated selection directly to the client.

- › Website as catalogue + booking engine
- › Client qualifies via budget field
- › Appointments within 300km of Luxembourg
- › Outer-radius (Paris) requires min sale threshold

CHANNEL 3

Weekly Interim Showroom

One dedicated appointment day per week at a professional shared office in Luxembourg, Brussels, and Paris on rotation. Clients arrive at a proper business address — not a home, not a café.

Luxembourg	Brussels	Paris	Format
Every week — home base	Bi-weekly — 2hrs drive	Monthly — high value only	4–6 appointments, 45 min each

Why Events First — Not Digital Advertising

Luxury jewelry at the €2,000–20,000 price point is not impulse-purchased through Instagram ads. It is bought through trust, personal experience, and touch. This strategy builds that trust base first. Digital marketing amplifies what already exists; it cannot create it from scratch.

CHANNEL 1 — EVENT PLAYBOOK

Running the Perfect Showcase Evening

Every detail of the event is intentional. Exclusivity is the product. The moment a guest picks up the Ashth Cut® and looks through a loupe, the sale begins.

Venue Options — Luxembourg City

TIER 1 — BEST OPTION ■ Bank or Finance Partner Co-Host The ideal venue is free. Approach a private bank as co-host — they provide the room in exchange for offering their HNW clients an exclusive experience. Banks say yes to this regularly. <i>"We'd like to offer your private banking clients an exclusive first European showing of an Indian luxury lab-grown diamond brand. You provide the room and your client list. We provide the jewellery."</i> › Banque de Luxembourg — private client events core to their culture › BGL BNP Paribas — largest retail bank, strong event program › Pictet / Lombard Odier — wealth management, ideal HNW audience › ING Luxembourg — international clientele, modern event spaces	TIER 2 ■ Boutique Hotel Private Room €300–600 room hire. Central, professional, easy parking. › Sofitel Luxembourg Europe › Hôtel Le Place d'Armes — heart of old town › Meliá Luxembourg — European quarter TIER 3 — RESTAURANT €0 if minimum spend met. › Clairefontaine — Michelin-starred › Mosconi — iconic Luxembourg fine dining › La Pomme Cannelle — younger professional crowd TIER 4 — ART GALLERY €200–400. Jewellery as wearable art — perfect aesthetic.

Event Format — The 2.5-Hour Programme

7:00–7:30	Arrival, champagne, mingle — jewellery displayed on velvet stands
7:30–7:45	5-min brand story: "Mine. Not Mined." + Ashth Cut® loupe demo

8:30–9:00	1-on-1 conversations with interested guests — no pressure, just stories
9:00–9:30	Close — non-buyers receive appointment card + WhatsApp follow-up within 24hrs

■ The Ashth Cut® Moment 97 facets, the hidden diamond inside the diamond. Place under a loupe at its own stand. Every guest who looks will stop and stare — that reaction is your best sales tool. Also bring 4–5 pieces specifically for men (bracelets, rings, cufflinks). A room of bankers and lawyers includes men buying for themselves or their partners.

Running the Private Appointment

The home or office appointment is the highest-conversion format in luxury sales. The client is relaxed and has already self-qualified through the booking form.

■ Where to Meet ✓ Best Client's home — highest comfort, highest conversion. Partners present, environment invites purchase. ✓ Good Client's office — fast, professional, effective for gifts and milestone purchases. ✓ Interim showroom / day office — neutral, professional, preferred by privacy-conscious clients. ✓ Hotel lobby lounge — comfortable, neutral, good for first-time clients. ✗ Avoid Cafés — undersells the product and the brand. The setting is part of the luxury.
